Dear Mr. Banning,

Shop with a Cop 2015 was a huge success and it was made possible through your generous contribution. This year's event assisted ten families with a total of twenty-three children. All the families met at Target at the Shoppes of Park Place and enjoyed breakfast treats provided by Chick-Fil-A and St. Pete Bakery. While enjoying breakfast, the families were visited by Santa and his elf to really put everyone in a festive mood. All the children were paired with a police officer and descended on the aisles of Target with great excitement. When all the shopping was completed, the children had the option to have their presents wrapped by the Pinellas Park Police Explorers. But the giving didn't stop there and this is due to your partnership and support of the Pinellas Park Police Department. All families received an additional Target gift card to surprise their children with another gift on Christmas morning and a Publix gift card was provided for all families to have a meal on Christmas Day.

On behalf of the men and women of the Pinellas Park Police Department, I would like to thank you for your contribution for the Shop with the Cop event. Without your charitable donation and support, this event would not have been possible. It is such a wonderful thing when various people within the community come together in partnership with law enforcement for the collective good of helping those less fortunate.

With sincere gratitude,

Chief Michael Haworth

Thank you for supporting us to help provide so many children
a very Merry Christmas.

With Gratitude
Pinellas Park Police Community Reinvestment Unit and
Youth Services
